DISCOVER THE MOON, THE SEA AND THE MEXICAN FOLK HEALING EXPERIENCE

Nestled in the center of the resort, Waldorf Astoria Spa is a tranquil lagoon in which guests can rest, rejuvenate and tap into the natural healing culture of Baja, Mexico. Experiences are inspired by the moon and sea, or *luna y mar*, to deliver a distinctive approach to wellness that revolves around the phases of the moon. Take time in the wet area grottos with their steam rooms, saunas, ice rooms and whirlpools. Local herbal remedies are provided in the grotto to enhance your experience. After your treatment, relax in the spa's salt-water meditation pool, which can be accessed directly from your private treatment room.

OUR STORY

THE MOON

The four phases of the moon impact the body in very specific ways. Waldorf Astoria Spa's signature treatments represent the varying energies of the lunar phases to align you with the rhythms of nature and enhance your wellbeing. The awakening new moon is for renewal and introspection. The nourishing waxing moon is for refocusing your energy and embodying your visions. The calming full moon is when one's full potential is achieved, and the restoring waning moon offers the perfect time for cleansing.

THE SEA

The ocean is the source of life and has a powerful effect on mind, body, and spirit. At the Waldorf Astoria Spa, the sea is not just a backdrop; it is a guiding force, a source of inspiration that elevates your journey to wellness. Imbued with the essence of the ocean, our spa invites you to embark on a transformative voyage where the restorative powers of the sea converge with unparalleled luxury, creating a sanctuary where time stands still, and rejuvenation becomes an art form.

MEXICAN FOLK HEALING

Mexican folk healing is known as curanderismo. We honor the tradition through our rituals, herbs, and healing treatments to fortify the material, spiritual, and mental realms. We warmly invite you to begin your spa experience with our welcoming foot cleansing ritual which utilizes special herbs to purify and prepare you for your spa journey.
