WALDORF ASTORIA LOS CABOS PEDREGAL UNVEILS PLANS FOR FINAL PHASE OF AN EXTENSIVE, MULTI-YEAR PROPERTY-WIDE TRANSFORMATION

The exclusive beachfront haven will transform all 112 guest rooms and suites, marking the culmination of a multi-year renovation

LOS CABOS, MX – (June 17, 2025) – The award-winning [Waldorf Astoria Los Cabos Pedregal](#) will continue to redefine luxury in 2025 and beyond with the culmination of a multi-year property-wide transformation. The final phase of the renovation to renew all 112 guest rooms, suites, casitas and villas will begin this summer, with the property closing from July 15 - September 30. The guest room ambiance will be enhanced through soothing lighting and decor, thoughtful spaces that maximize comfort and functionality, and a new in-room bar showcasing the resort's artisanal beverage program. Once the resort reopens on October 1, guests will enjoy newly designed accommodations that seamlessly blend luxury and artistry. Additionally, they can look forward to a rotating series of culinary activations at the enhanced Beach Club, further building upon its roster of world-class culinary offerings and authentic Mexican cuisine.

“The reimagination of Waldorf Astoria Los Cabos Pedregal was done thoughtfully to ensure a singularly authentic luxury experience that gives a nod to both the resort's impressive legacy as well as the heritage and traditions of Mexican culture,” said Maria Valeria Nowotny, Vice President of Operations - Resorts, Luxury and Lifestyle Hotels - Caribbean, Mexico and Central America at Hilton. “The culmination of this transformation will propel the resort to a thrilling new era and further solidify the property as the preferred luxury stay while visiting Los Cabos.”

Spearheaded by the original designer of the beachfront resort, [Paul Duesing](#), the refined enhancement of Waldorf Astoria Los Cabos Pedregal will introduce modern influences while staying true to the iconic and authentic Mexican design and cultural heritage that guests have come to love about the property. All 112 new guest rooms, suites, casitas, and villas will feature a lighter, neutral color palette and calming hues contrasted with deep, warm accents to add depth and richness. The new rooms will also feature custom furniture and accessories made by a variety of Mexican artisans from Oaxaca, Baja California Sur, Jalisco, and more, as well as an impressive collection of art featuring prominent Mexican artists such as Cinthya Navarro, best known for her canvas work with acrylic, and multidisciplinary artist Tanya Talamante, whose mural can currently be found on property at Neutral Coffee Lab. The centerpiece of each room will undoubtedly be a signature metallic sea turtle shell, handcrafted by Preciado Iluminación from Jalisco, proudly displayed above each bed. This striking piece pays homage to the resort's cherished symbol: just as sea turtles journey back to their birthplace, so too will guests always find their way home to the resort.

As part of the multi-year property-wide transformation, [Waldorf Astoria Los Cabos Pedregal](#) has undergone several culinary enhancements including the debut of the [Agave Study at Peacock Alley](#), [Neutral Coffee Lab](#), a refresh of the property's signature restaurant [Don Manuels](#), and the introduction of [TRAVESÍA](#), a nine-course tasting menu all surrounding the beloved taco. To complete the redesign and transformation of all rooms, the property will also debut a rotation of culinary activations at its enhanced Beach Club to further build upon its roster of world-class gastronomic and authentic Mexican offerings. The new culinary experiences will further complement the resort's annual Festival of Flavors series, which has featured a legendary lineup of The World's 50 Best Restaurants, James Beard and Michelin-star-honored chefs such as Jaime Pesaque, Michael Mina, David Yoshimura, Claudette Zepeda, and more. In the series, each guest chef was invited to cook alongside and collaborated with the resort's Executive Chef Gustavo Pinet and his impressive culinary team to create an intimate gastronomic three-day culinary extravaganza over select weekends.

In addition to the property enhancements on the horizon, Waldorf Astoria Los Cabos Pedregal is also excited to continue building on the success of hosting [Alo Moves](#)' first in-person retreat over the past two consecutive years. Continuing the partnership in 2026, guests will have the opportunity to join popular Alo Moves instructors at the resort for a curated in-person retreat against a breathtaking backdrop for three days focused on championing sustainable, mindful living and recovery. Through the partnership with Alo Moves, guests also have access year-round to a variety of virtual programs and classes that were all filmed at the resort. Visitors are also encouraged to explore the wide variety of offerings at the award-winning [Waldorf Astoria Spa](#). The Spa will feature an enhanced salon alongside the signature saltwater meditation pool, and treatments guided by the four phases of the moon, all rooted in traditional Mexican rituals.
